EXPERIENCE

Analytic Design Lab

Jan 2026 – Jul 2026

Software Analyst

Ogden, Utah

- Analyzed and compiled hardware design languages, including CUPL/WinCUPL and Verilog-based workflows, into digital logic systems for FPGA, CPLD, and ASIC-related applications.
- Verified hardware timing behavior through algorithmic analysis, testing, and troubleshooting of digital logic structures.
- Structured and documented digital machinery workflows to support hardware design, validation, and implementation.
- Reviewed patent claims and technical documentation to identify design constraints and support hardware/software development decisions.

CAMP Investment Technologies

Apr 2025 – Sep 2025

Tech Intern

Singapore

- Contributed to backend development tasks for blockchain-based applications under the direction of the Chief Technology Officer.
- Performed QA (Quality Assurance) testing in UAT (User Acceptance Testing) and production environments to validate system functionality and identify release issues.
- Created, hosted, and maintained API documentation to support internal and external developer integration.
- Documented bugs, testing results, and system behavior to improve release readiness and team communication.

Brigham Young University-Hawaii | Office of Honor

May 2024 - Present

Technology Support Specialist

Laie, Hawaii

- Maintained accurate student service records for 2,800+ students using PeopleSoft and internal data systems.
- Updated and managed web content through Brightspot to improve information accuracy and accessibility.
- Supported daily office operations by coordinating schedules, responding to 100+ emails per week, and assisting students with policy-related questions.

Social Media Marketing Consultant

Dec 2021 - Present

Self-Employed (Family Business)

Surakarta, Indonesia / Remote

- Developed and managed digital marketing strategies for a family business across Facebook and Instagram.
- Created social media advertisements, promotional content, and customer-facing posts to support engagement and bookings.
- Managed customer communications, including inquiries, bookings, and service-related concerns.

VOLUNTEER EXPERIENCE

The Church of Jesus Christ of Latter-day Saints

Aug 2019 - Aug 2021

Full-Time Missionary

Jakarta, Indonesia

- Served in leadership roles including Assistant to the President and Zone Leader, mentoring and supporting 20–30 missionaries.
- Coordinated training, communication, and regional operations across diverse teams and communities.
- Developed strong adaptability, problem-solving, public speaking, and cross-cultural communication skills.

Indonesian Club, Brigham Young University-Hawaii | Vice President

Fall 2024

- Helped coordinate Indonesian Club's Food Fest participation by supporting event preparation, booth operations, volunteer coordination, and cultural representation.

AWARD & CERTIFICATIONS

1st Place, Empower Your Dreams Business Competition (2024); Emerging Entrepreneurship Tier One Scholarship; Social Media Marketing Certificate
